Beautiful by Alex Lloyd

Pretty straight forward. I think most of the chords are right. Listen to the song and you ll get the idea...

All goodbyes disappeared,

A
when I first set my eyes on you,

E
I found a world so pure and blue.

Today, I vow to you,

A
that every little piece of me,

E
is coming from the heart of me.

CHORUS:

B **C#m**
You are so beautiful,

E
and you re filling up my day,

A
with the things I can t explain.

B **C#m**
You are so beautiful,

E
and I m holding on today,

A
yeah, we re holding on,

we re holding on.

F#m **C#m**
Among the broke glass,

A
a road we ve all been down before,

E
but this time there s an open door.

F#m **C#m**
A code so set a sealed,

A
where nothing is unbreakable,

E
and every missing piece is filled.
