Beautiful by Alex Lloyd

Pretty straight forward. I think most of the chords are right. Listen to the song and you ll get the idea...

All goodbyes disappeared,

Α

when I first set my eyes on you,

Е

I found a world so pure and blue.

that every little piece of me,

Е

is coming from the heart of me.

You are so beautiful,

and you re filling up my day,

Α

with the things I can t explain.

B C#m

You are so beautiful,

E

and I m holding on today,

Α

yeah, we re holding on,

we re holding on.

F#m C#m

Among the broke glass,

Α

a road we ve all been down before,

E

but this time there s an open door.

and every missing piece is filled.
