Waste of Time - Alex the Astronaut
Capo 7

[Verse 1]

C
Its too early for a song
C
Much too early for a song
Em **G**
Please forgive cause I wrote you one
F
Allow me to explain
F
Although it all might change
C
The words came in and paved themselves
G
I shouldn t be to blame
C
Deep inside I sometimes feel
A spinning, uninvited wheel
Em
The pain thatâ™s all around
G
It settles in me
F
Sadness that I keep
F
I thought it made me weak
C
And now I ve met your soul its left me
G
With the space to sleep

[Pre-Chorus]

Am **Em**
I ve been racing all my life
F
For some unholy prize
C **G**
And I don t care about it
Am **Em**
Making everybody proud
F
Looking up and running round
D **E**
And it wears me out

[Chorus]

So wake up late

Em

And let s take our time

F

Drink tequila with too much lime

Am

Cause lately I ve come to find

Happy cause I know our song

Will go on and on and on

This waste of time

Waste of time

Waste of time

On and on and on this wasted time

[Bridge]

When the world is far too bright and you need to close your eyes

To the craziness, the maze that grows

And twists along outside

Just find a way to play

This simple song I made for you to make it go away

[Chorus]

So wake up late

And let's take our time

Drink tequila with too much lime

Because lately I've come to find

That all I want is one incredible waste of time
It's so easy

Warm and light
And I'm feeling

Happy cause I know our song

Am G

Will go on and on and on

C

This waste of time
