

Fire And Thud
Alex Turner

Em C Am
You showed me my tomorrow
Em C Am
Beside a box of matches
Em C Am
A welcome threatening stir

Em C Am

E C Am
My hopes of being stolen
Em
Might just ring true
Em C Am
Depends who you prefer
Em G
But if it s true you re gonna run away
C
Tell me where
C7
I ll meet you there
Em C Am
Am I snapping the excitement
Em C Am
If I pack away the laughther
Em C Am
And tell you how it feels
Em C Am
And does burden come to meet ya
Em C Am
If I ve questions of the feature
Em C Am
that runs on your dream wheel

Em C Am

Em G
The day after you stole my heart,
C C7 Em C Am
Everything I touched told me it would be better shared with you

Em C Am
With you
Am Em
And now you re hiding in my sleep
Am Em
And the book reveals your face

Am **Em**
And there s a splashing in my eyelids
Am **Em**
As the concentration continually breaks
Am **Em**
I did request the mark you cast
Am
Didn t heal as fast
C
I hear your voice in silences
C7 * **Em C Am**
Will the teasing of the fire be followed by the thud?

Em C Am Em C Am

Em
And the jostling crowd
Em
You re not allowed to tell the truth
Em **C Am**
And the photo booth s a liar
Em C Am
Em **C Am**
And the sharpened explanation
Em
But there s no screaming reason to inquire

Em C Am

Em **G**
I d like to poke them in their prying eyes
C **C7** **Em**
With things they never see if it smacked them in their temples
