the studio version is in a different key but i think this one sounds a lot cooler.

also these are the right lyrics, don t use the ones from stupid fucking lyric websites,

these are the ones from the lyric sheet inside the cd album.

lol anyway enjoy

Dm **Gm**
Stronghold on my poor soul and
Bb **Dm**
You come around, around, after me
Dm **Gm** **Bb** **Dm**
And sweat cold tenfold and you come around, after me

Dm **Gm** **Bb**
I know you re a liar, throw me into the fire
Dm
Man I should have known, I should have known
Dm **Gm**
God damn you re liar, threw me into the fire
Bb **Dm**
Man I should have known, I should have known

Bb **F**
But I, I, I
Gm **Dm**
My body s full of guts and other stuff
Bb **F**
I, I, I

Gm **Dm**
My body s full enough
Gm **F** **Gm** **F**
To pull myself out, to pull myself out
Gm **F** **Gm** **F**
To pull myself out, to pull myself out

Dm **Gm**
Sad sort with a pitchfork,
Bb **Dm**
Got me spun around, around, on the spit
Dm **Gm**
And move quick, ya wipe it from your mits
Bb **Dm**
You wash it down, wash it down and see how it sits

Dm **Gm**
I know you re a liar, throw me into the fire
Bb **Dm**
Man I should have known, I should have known
Dm **Gm**
God damn you re liar, threw me into the fire
Bb **Dm**
Man I should have known, I should have known

Bb **F**
But I, I, I
Gm **Dm**
My body s full of guts and other stuff
Bb **F**
I, I, I

Gm **Dm**
My body s full enough
Gm **F** **Gm** **F**
To pull myself out, to pull myself out
Gm **F** **Gm** **F**
To pull myself out, to pull myself out

Bb F Gm **Dm**

Bb F Gm **Dm**
You led me to the slaughter, but I m someone s daughter
Bb F **Gm** **Dm**
You let the bottom drop out, it s such a copout don t you feel ashamed?
Bb F **Gm** **Dm**
You led me to the slaughter, but I m someone s daughter, I m someone s daughter
You let the bottom drop out, it s such a copout don t you feel ashamed?
You led me to the slaughter, but I m someone s daughter
