

Sister Wife
Alex Winston

Took a quick look at requested tabs and chose to do this for the night. Hope you guys enjoy playing it :) There are some really minor mistakes because I get lost when she goes ooh ooh ooh but it doesn't affect the song in overall.

Capo 1

[Intro]

D Bm A x 3

[Verse 1]

G6 **D**
So one thing led to another
D **Gsus2**
You were calling her a lover

D
Her brothers her brother

Gsus2
Yeah if you want me to do it, I
D
guess that I'll do it, but
A
I'm telling you
A(once and mute)
One wrong move and yeah we're through

[Chorus]

G6 **D**
Hey there sister wife
A
Get the hell out it's my night
G6 **D** **A**
You don't know the way to his heart

D
Like I do

G6 **D**
Hey there sister wife
A
Get the hell out it's my night
