Lost In Your Own Life Alexa Vega

Capo on 2nd fret. Be creative with the strum, free spirit.

C G D

Don't have to be a wanderer alone

(continue **D**)

Don't have to be a dog without a bone

C G D

Just come to my house, I'll be home

I can hear you

C G D

How did you end up lost at sea?

You don't have a boat or live near a beach

C G D

But if you're in need of rescuing

C

Well, I will hear you

3 I

I want you to know

Αm

You're never alone

C G

Youâ€™ll always have a place to go

Am C

It's on the brighter side

T F

I'll color your night

Am

I'll lead you to light

C Am

Put hope in sight for you to find

C (strum)

You don't have to be lost

G D Am

Lost in your own life

C G D Am

Lost in your own life

C G D

Don't have to have a heart that's turned to stone

Don't have to be a King without a throne

C G D

What does that even mean, do you even know?

C

Cause I can hear you

```
G
             D
I want you to know
            Am
You're never alone
            C
You'll always have a place to go
It's on the brighter side
I'll color your night
I'll lead you to light
Put hope in sight for you to find
                  C (strum)
You don't have to be lost
                Dm
Lost in your own life
Dm
You don't have to live in strife like before
No one uses the word "strife!―
G D Am C
Anymore
G D Am C
No, no, no, no, no
I'll color your night
I'll lead you to light
Put hope in sight so you can find
                    C (stop)
You don't have to be lost
                G D Am
Lost in your own life
                G D Am
Lost in your own life
La la la la la
```
