VERSE 1:

**A** **E**  
Woke up this morning  
**F#m** **E**  
another brand new start  
**D** **C#m**  
Felt so alive  
**Bm** **E**  
I jumped with every beat of my heart  
**A** **E**  
When you came over  
**F#m** **E**  
I could see something was wrong  
**D** **C#m**  
It really isn't worth that you  
**Bm** **E**  
just get to keep moving alone  
**D** **Bm** **Esus** **E**  
You know that " I'll always be there

Reff:

**A** **E** **F#m** **E**  
I'll be your sunshine after the rain  
**D** **C#m**  
When the sky is turning grey  
**Bm** **E**  
you know that I'm not far away  
**A** **E** **F#m** **E**  
Sunshine after the rain  
**D** **C#m**  
Together til the end  
**Bm** **E** **F#m**  
Whenever you're in need of a friend  
**E** **D** **A**  
or a shoulder to cry on  
**D** **C#m** **Bm** **E**  
someone there to rely on

**A E**                  **F#m E**  
I ll be your sunshine after the rain  
                  **D**                  **E**                  **A**  
It s the one thing I won t change

VERSE 2:

**A**                                  **E**  
We know each other  
**F#m**                                  **E**  
Since I don t know how long  
**D**                                  **C#m**  
As long as I remember  
          **Bm**                                  **E**  
You were always there Singing along  
**A**                                  **E**  
There have been some good times  
**F#m**                                  **E**  
And it s even been some sad  
**D**                                  **C#m**  
But we always somehow managed  
          **Bm**                                  **E**  
To get something good Out of the bad  
  
**D**                                  **Bm**                                  **Esus E**  
Remember " I ll always be there

Reff:

**A E**                  **F#m E**  
I ll be your sunshine after the rain  
                  **D**                                  **C#m**  
When the sky is turning grey  
                  **Bm**                                  **E**  
you know that I m not far away  
          **A**          **E**          **F#m**          **E**  
Sunshine after the rain  
                  **D**                                  **C#m**  
Together til the end  
          **Bm**                                  **E**                  **F#m**  
Whenever you re in need of a friend  
                  **E**                  **D**          **A**  
or a shoulder to cry on  
          **D**                  **C#m**                  **Bm E**  
someone there to rely on  
                                  **A E**                  **F#m E**  
I ll be your sunshine after the rain  
                  **D**                                  **E**                  **A**  
It s the one thing I won t change

BRIDGE:

**D**

Some say that friends

**F#m D Esus E**

will come and go

**D**

but this thing we have

**F#m**

will always grow

**D**

It s one of these things

**Esus E**

You know
