

Funny Little World
Alexander Rybak

Heyy! This is my first chords that I put here. Funny Little World is Alexander Rybaks from his brand new album Fairytale. I tried to find the chords but I noticed there wasn't so I decided to make them my own. And I'm pretty sure they're right, anyway they sounds good to me! :)

[Intro]

C G F G x2

[Verse]

C **Am**
Suddenly I'm famous
F **G**
And people know my name
C **Am**
I've got a thousand girls just waiting
F **G**
And therefore it's a shame
Am **G**
That my heart has been captured
F **G**
By your funny little smile
C **Am**
And finally I'm happy
F **G**
If only for a while

C **Am**
People call me stupid
F **G**
For treating you like a queen
C **Am**
But I don't even worry
F **G**
Cause you're my unforeseen
Am **G**
And I hope that you'll be with me
F **G**
If only in my dreams.
C **Am**
But here you are next to me
F **G**
And you're glad, or so it seems

[Chorus]

C G F
And I don't know for sure
G
Where this is going
C G F G
Still I hope for more, and more
C G F
Cause who would know that you
G C
Would treat me like a boy
F G
And I treat you like a girl
C
In this funny little world

[Verse]

C Am
Don't promise me for ever
F G
Just love me day by day
C Am
No one knows the future
F G
We're young, but that's OK
Am G
Cause you'll always be a part of me
F G
Whatever life will bring
C Am
And people have to bear with you
F G
This silly song I sing.

C Am
Your boyfriends might be angry
F G
My girlfriends might be blue
C Am
But no one can deny it
F G
From now on I love you
Am G
I have to say it's new to me
F G
This feeling in my heart
C Am
Guess I've been kind of lonely
F G
And you've been kind of smart

[Chorus] x2 :

C **G** **F**
And I don t know for sure

G
Where this is going

C **G** **F** **G**
Still I hope for more, and more

C **G** **F**
Cause who would know that you

G **C**
Would treat me like a boy

F **G**
And I treat you like a girl

C
In this funny little world.

There you are, enjoy !! ;)
