

**Morning Lights**  
**Alexander Wren**

[Intro]

**C Am F C G**

[Verse 1]

**C Am**  
Honey, I m yours

**F C G**  
You shut off the lights, I ll close the door

**C Am**  
Rest your, sweet head

**F G**  
Lay your body down upon the bed

[Chorus]

**F C**  
Cause I ve been waiting all day for the night

**F G**  
And I don t care if it s wrong or if it s right

**F C**  
Cause wakin up with you here by my side,

**F G C**  
Is worth it all, in the end, in the morning light

[Verse 2]

**C Am**  
Darlin ,be still

**F C G**  
I love you like nobody ever will

**C Am**  
So take your precious time

**F G**  
Hold me in your arms, and look into my eyes

[Chorus]

**F C**  
Cause I ve been waiting all day for the night

**F G**  
And I don t care if it s wrong or if it s right

**F C**  
Cause wakin up with you here by my side,

**F G C**  
Is worth it all, in the end, in the morning light

[Bridge]

**C Am C G**

Oh

[Chorus]

**F C**  
Cause I ve been waiting all day for the night

**F G**  
And I don t care if it s wrong or if it s right

**F C**  
I ve been waiting all day for the night

**F G**  
And I don t care if it s wrong or if it s right

**F C**  
Cause wakin up with you here by my side,

**F G Am**  
Is worth it all, in the end, in the morning light

**F G C**  
Is worth it all, in the end, in the morning light
