All Night Long - Alexandra Burke

Tabbed by: it5th3ganja

>>this is my first tab ever so idk how good it is but it sounds good to me when
i
play it along with the song

Standard Tuning
Capo on the first fret!

G = 320003
D = 000232
A = 002220

INTRO: **G D A**

VERSE1

G **D**
A
I see everybody around but it feels like we're in private
G **D**
A
I know you want me so bad cause you just can't seem to hide it
G **D**
the lights are moving to the rhythm of the music,
A
when we're together,

everything just comes together, baby
G **D**
so inspired by the movement,
A
we can lose it, I hope you're ready

G
As long as I see the strobe lights,
D **A**
I'm dancing all night long

when we're together, baby,
G
I'm feeling all right,
D **A**

you got me all night long

G

so tell the DJ play it all night long,

D

A

all night long, all night, night, night

G

so tell the DJ play it all night long,

D

A

all night long, all night, night night

and so on and so forth HAVE FUN enjoy the music!
