All Of My Days

credit to paramore_fans. This tab is basically the same, except with easier
chords
for strumming (Asus4 replacing A/C#, and G replacing G/B)

Tuning: Standard EADGBe

Chords used:
D -   xx0232
G -   320033
Asus4 - x02230
Em -   022000

[Intro]

D-- x16

[Verse 1]

```
    D            Asus4
Well I have been searching
G        D
all of my days
G          D
All of my days
D                Asus4
Many a road you know
G                D
I ve been walking on
G         D
All of my days
```

[Chorus 1]

```
G                      D
And I ve been trying to find
G                  D
What s been in my mind
G        Em
As the days keep
G        Em    D-- x4
turning into night
```

[Verse 2]

```
      D              Asus4
Well I have been quietly
  G           D
standing in the shade
G         D
All of my days
D              Asus4
Watch the sky breaking on
     G            D
the promise that we made
G         D
All of this rain
```

(Repeat Chorus 1)

[Verse 3]

```
      D
Well many a night
   Asus4           G
I found myself with no
              D
friends standing near
G         D
All of my days
   D
I cried aloud
   Asus4
I shook my hands
G             D
What am I doing here
G           D
All of these days
```

[Chorus 2]

```
G           D
For I look around me
G            D
And my eyes confound me
G               D
And it s just too bright
G      Em
As the days keep
G       Em   D-- x8 G--D-G--D--
turning into night
```

[Verse 4]

```
D           Asus4
Now I see clearly
      G
It s you I m looking
D    G         D
for All of my days
D
Soon I ll smile
   Asus4
I know I ll feel
      G          D
this loneliness no
      G          D
more All of my days
```

[Chorus 3]

```
G              D
For I look around me
G                  D
And it seems He found me
G                    D
And it s coming into sight
G       Em
As the days keep
G       Em    D
turning into night
G       Em
As the days keep
G        Em    D-- x2
turning into night
      Em
And even breathing
         D
feels all right
      Em
Yes even breathing
         D
feels all right
      Em
Now even breathing
          D
feels all right
     Em-- x4
It s even breathing
          D(hold)
Feels all right
```
