

Crinan Wood

Alexi Murdoch

i play it with a Guitalele, means fifth fret on a guitar

you can always transpose it to : C/G/F

B Gb E B
It was cold you hid your hands inside your sleeve

B Gb E B
as we walked I heard the laughter in the leaves

B Gb E B
See the shadows lying now where once we stood

B Gb E B
And I would lie down with them if I only could

B Gb E B
Music came to me it came across the sound

B Gb E B
How you laughed and shone and danced a circle round

B Gb E B
As we walked away I saw a shadow on the ground

B Gb E B
There were stones inside my pockets that were found.
