[Verses]

D

Well I had a dream

G

I stood beneath an orange sky

D

Yes I had a dream

G **D**

I stood beneath an orange sky

G **D**

With my brother standing by

G **D**

With my brother standing by

D

I said Brother, you know you know

G **D** **G**

It s a long road we ve been walking on

D

Brother you know it is you know it is

G **D**

Such a long road we ve been walking on

G **D** **G**

D

And I had a dream

G **D**

I stood beneath an orange sky

G **D**

With my sister standing by

G **D** **G**

With my sister standing by

D

I said Sister, here is what I know now

G

Here is what I know now

Goes like this..

D

In your love, my salvation lies

G

In your love, my salvation lies

D

In your love, my salvation lies

G

D

In your love, in your love, in your love

G

D

G

Bm

A

G

But sister you know I m so weary

Bm

A

And you know sister

G

My hearts been broken

Bm

A

Sometimes, sometimes

G

D

My mind is too strong to carry on

G

D

G

Too strong to carry on

D

When I am alone

G

D

When I ve thrown off the weight of this crazy stone

G

When I ve lost all care for the things I own

D

G

That s when I miss you, that s when I miss you, that s when I miss you

D

You who are my home

G

D

G

You who are my home

D

And here is what I know now

G

Here is what I know now

Goes like this..

D

In your love, my salvation lies

G

In your love, my salvation lies

D

In your love, my salvation lies

G

In your love, my salvation lies

D

In your love, my salvation lies

G

In your love, my salvation lies

D

In your love, my salvation lies

G

D

In your love, in your love, in your love

G

D

G

D

G

D

Well I had a dream

G

D

G

I stood beneath an orange sky

D

Yes I had a dream

G

D

I stood beneath an orange sky

G

D

With my brother and my sister standing by

G

D

With my brother and my sister standing by

G

D

With my brother and my sister standing by

That s it!

This is a very charming and relaxing song!

(from the o.c. soundtrack)
