OK I had to work this out by ear, so I m guessing it s right - considering it sounds the same as when I play along with the song. But remember that these are the basic chords.

CAPO 1

(Intro)

Am Asus2 Am Asus2

VERSE 1 & 2

Am F
Did you know? That I m contencious watching you talk on the phone.
G
Something as simple as hearing your tone.
Dm Am7 G
It s enough for me to feel like I m at home. Oh yeah
Am F
Did you know? That each and everytime you walk into a room,
G
My eyes are totally fixed on you.
Dm
I know you want to show me all that you can do,
Am7 G
But I think that you re confused.

CHORUS

C C G Am
I don t ask for much, but I don t need anything.
Am G F G
Baby all that I ask, my only request, all that I really need,
Am
Is to share the same air that you breathe.

VERSE 3 & 4

Am F
Sometimes I just stay awake and watch you sleep
G
And try to guess what you do in your dreams.
Dm Am7 G
That s my favourite thing to do when you re with me. Oh yeah
Am F
Did you know? That your smile lightens up the night.
G
I like to think that happens when I m on your mind.

Dm

I know you want to give the world to me tonight.

Am7 G

But you should realise.

CHORUS

C

C

G

Am

I don t ask for much, but I don t need anything.

Am

G F

G

Baby all that I ask, my only request, all that I really need,

Am

Is to share the same air that you breathe.

C

C

Am

And I ll be OK, As long as you re here with me, yeah.

Am

G

F

G

Baby promise me that, there s no turning back, I ll be fine honestly,

F

If I can share the same air that you breathe.

(I m sorry but I dont know the rest - it s really hard this part.) When I figure

it out - I ll post it!

Hope you enjoyed!
