OK I had to work this out by ear, so I m guessing it s right - considering it sounds the same as when I play along with the song. But remember that these are the basic chords.

CAPO 1

(Intro)

Am Asus2 Am Asus2

VERSE 1 & 2

Am Did you know? That I m contencious watching you talk on the phone. **F**

G
Something as simple as hearing your tone.

Dm Am7 G
It s enough for me to feel like I m at home. Oh yeah

Am Did you know? That each and everytime you walk into a room, **F**

G
My eyes are totally fixed on you.

Dm
I know you want to show me all that you can do,

Am7 G
But I think that you re confused.

CHORUS

C I don t ask for much, but I don t need anything. **C G Am**

Am G F Baby all that I ask, my only request, all that I really need, **G**

Am
Is to share the same air that you breathe.

VERSE 3 & 4

Am Sometimes I just stay awake and watch you sleep **F**

G
And try to guess what you do in your dreams.

Dm Am7 G
That s my favourite thing to do when you re with me. Oh yeah

Am Did you know? That your smile lightens up the night. **F**

G
I like to think that happens when I m on your mind.

Dm

I know you want to give the world to me tonight.

Am7 G

But you should realise.

CHORUS

C C G Am

I don't ask for much, but I don't need anything.

Am G F G

Baby all that I ask, my only request, all that I really need,

Am

Is to share the same air that you breathe.

C C G Am

And I'll be OK, As long as you're here with me, yeah.

Am G F G

Baby promise me that, there's no turning back, I'll be fine honestly,

F

If I can share the same air that you breathe.

(I'm sorry but I don't know the rest - it's really hard this part.) When I figure

it out - I'll post it!

Hope you enjoyed!
