Verses

Em **G6**
was I left behind?
C6 **B6**
Someone tell me, tell me I survived.
Em **G6** **C6** **B6**
Don't look so surprised that I'm home, but just for tonight.
Em **G6**
With rough hands and sore eyes

C6 **B6**
so don't speak, I am tired.
Em **G6** **C6** **B6**
Let's just live through this lie.

Pre Chorus (Intro pt 2 played underneath this, as lead)

Em **G6**
She says i swear too much,
C6 **B6**
she says a lot of things,
Em **G6** **C6**
well I'd swear every other word if I could
 B6
for her I'll make an attempt.
Em **G6** **C6** **B6**
Sometimes love isn't about how much someone suits you
Em **G6** **C6** **B6**
but how much you're willing to change to suit them.

(break between the pre chorus and chorus, just strum B6)

Chorus

Em **G6** **C6**
All my bones are dust,
 B6
(Two people too damaged too much too late)
Em **G6** **C6**
and my heart's sealed with rust.

(Two people too damaged too much too late)

Em **G6**

These hands will always be rough.

C6 **B6**

(Two people too damaged too much too late)
