

Another Thin Line

Alexz Johnson

**Em**

I m getting up now

**D G**

The sun is burning my eyes

**D**

And I ache

**Em**

I m living on a free way

**D G D**

Running low on hiding good mistakes.

**Em**

Iâ€™m taking it to..

Living,

**D G D**

Just living all the lives I have to live.

**Em**

I m playing off this feeling,

**D G D**

Knowing that it s time to be forgiven.

**Em**

If I could only come around,

I m looking in the black stop

**C**

And turn around!

Can t get this off my back

**Em**

Am I outta my mind,

**D**

Faking whatâ€™s inside of me

**Em**

(uh uh oh yeah)

**C G**

It s like Iâ€™m walking on another thin line.

**D Em**

Where the fools keep on thinking Iâ€™m blind,

**C G D**

I m waiting for the day (oh yeah)

**Em D G D**

(verse 2 that same as verse 1)

Iâ€™m wide awake now

It s getting dark

And I can t see my way,

Iâ€™m living through the game now,

By watching every word that I might say.

And now

I ve gotta come around,

Iâ€™m falling through the cracks stop

And turn around,

can t get this off my back

Am I outta my mind for faking whatâ€™s inside of me...

(refrain)

It s like Iâ€™m walking on another thin line.

Where the fools keep on thinking Iâ€™m blind,

Iâ€™m waiting for the day

No, no, noo

Iâ€™m in the middle of a crime,

Taking left whatâ€™s mine...

As I fade away.

**Em** **C**  
With everything I am,

**G**  
With all I d have to stand...

**D**  
Iâ€™m not going to fade..

**Em** **C**  
Dragon tears and cover songs

**G**  
And I done nothing wrong,

**D**  
I just donâ€™t belong.

(refrain)

End: **Em**
