

**Back Of The Room**

**Alexz Johnson**

**C**

Baby it s in the skies  
Baby it s your eyes

**F**

Everything that you do  
I wanna do that too

**C**

No it is not your fault  
Baby I like your salt

**F**

Baby I ll see you through  
Baby I know it s true

**Am**

I know it doesn t mean too much  
But baby I want your touch

**G**

We don t have to work so hard  
Baby it s in the stars

**C**

Hey looking at you

**G**

**Am**

I wanna take you to the back of the room

**C**

And no matter what you do

**G**

**Am**

I wanna take you to the back of the room

**C**

Saying I ve lost my mind  
Saying it s too much wine

**F**

She s older than her time  
I tell them they are blind

**C**

Baby I ve got your smell  
Been knowing it too well

**F**

Baby I ve tripped and fell  
They ll damn me to hell

**Am**

It s not about what they think  
Cause babe I ll drink your drink

**G**

Wash dishes in your sink  
Give you me in a blink

**C**

Hey looking at you

**G**

**Am**

I wanna take you to the back of the room

**C**

And no matter what you do

**G**

**Am**

I m gonna take you to the back of the room

**F**

Donâ€™t look away

**C**

I m dying babe

**Am**

I am not wrong

**G**

This is your song

**Am**

I know I m right

**G**

Stay for the night

Let me light your light

Fly you like a kite

**C**

Hey looking at you

**G**

**Am**

I m gonna take you to the back of the room

**C**

And no matter what you do

**G**

**Am**

I m gonna take you to the back of the room

**C**

Hey looking at you

**G**

**Am**

I m gonna take you to the back of the room

**C**

And no matter what you do

**G**

**Am**

I m gonna take you to the back of the room
