F: 133211 or x33211
B: x24400 or x24442

```
   G    Em
 Champagne
C                                  Am
 I m breaking every single chain
  G Em
 Insane
C                                  Am
 I m watching all my colors change

        Em              F
 I wait for your call I feel it in my bra
          C
 You re burning down my walls
       D
 Not scared to lose it all
         Em
 When I kiss your lips
         F
 We re touching finger tips
       C
 My stomach starts to flip
         D
 I m ignited this is it

 Am           G
```

```
 You give me fire
C         D
 Give me fire
        Em
 Coming out
            D
 It s coming out, Hey!
Am          G
 You give me fire
C         D
 Give me fire
        Em
 Coming out
            D
 It s coming out, Hey!

  G    Em
 Too late
C                        Am
 To even try to walk away
   G         Em
 Goodness sake
C                         Am
 I ll walk the line won t hesitate

        Em
 And I hope I m caught
     F
 My panties in a knot
         C
 Ya I m into what you got
        D
 I can t fight it it s too hot
          Em
 When it gets too much
      F
 I m melting in your touch
         C
 I ll be welcoming the rush
         D
 Can t deny it this is love

 Am              G
 You give me fire
C         D
 Give me fire
        Em
 Coming out
              D
 It s coming out, Hey!
Am              G
```

```
           You give me fire
C         D
 Give me fire
           Em
 Coming out
               D
 It s coming out, Hey!

                  E
(It s just like Johnny and June)
                     D
 Maybe I fell too soon
                  C
 But have you met you?
                  B
 What I wouldn t do
                  E
 It s just like Johnny and June

 They wrote their name on the moon
                  D
 They might have fallen too soon

 But yet they still found the room
                  C
 It s just like Johnny and June

 They wrote their name on the moon
                     B
 They might have fallen too soon

 But yet they still found the room

 Am            G
 You give me fire
C         D
 Give me fire
           Em
 Coming out
               D
 It s coming out, Hey!
 Am            G
 You give me fire
C         D
 Give me fire
           Em
 Coming out
               D
 It s coming out, Hey!

 Am            G
```

```
                      You give me fire
C            D
  Give me fire
              Em
  Coming out
                  D
  It s coming out, Hey!
Am             G
  You give me fire
C            D
  Give me fire
              Em
  Coming out
                  D
  It s coming out, Hey!

  End on G
```
