

Gonna Get It  
Alexz Johnson

The chords are the same through the whole song(at least I think that they are;):  
**Am, F, C, G**

Verse 1:

Am F  
Maybe it ll never come around

C G  
Maybe let you push me to the ground

Am F C G  
I ll go cause if I don t it s taking me down

Am F  
And I deal cause none of it is real  
C G  
I deal cause I m covering to heal  
Am F C G  
I ll go no need to reap the seeds that I sow

Chorus:

**Am**  
But oh you re gonna get it  
**F**  
Gonna get it  
Gonna get it  
**C** **G**  
You re gonna get it, gonna get me good  
**Am**  
Oh you re gonna get it  
**F**  
Gonna get it  
Gonna get it  
**C** **G**  
You re gonna get it, gonna get me good

**Am**                      **F**  
Oh no won t let it go

**C**                              **G**  
Give it up won t take my soul (You re gonna get it, gonna get me good)

Verse 2:

So why me, why they coming after me?  
All this, it s a conspiracy you see  
Can t hide the more I stay awake, the more you try

It s not right, it s no way to live a life  
No light, I m running out of fight  
Can t hide, the dreams are coming after me tonight

## Chorus

### Bridge:

**Am**                    **F**  
And I m not falling  
**C**                    **G**  
Not falling for it  
**Am**                    **F**                    **C**    **G**  
I will not just let this take me in  
**Am**                    **F**  
So go away, go away  
**C**                    **G**  
You will never win  
**Am**                    **F**                    **C**    **G**  
I will never let myself fall in  
**Am**                    **F**                    **C**    **G**  
Never let myself fall in
