

Hunger Pains

Alexz Johnson

Verse 1

G

Wanted something but I had to give

Em

Drop a dime every time, what I need to live

C

Never felt so out of control

D

Following rainbows God knows it s taking its toll

G

Breathing life into my veins

Em

Nevertheless makes a mess inside my brain

C

Never thought I d feel deranged

D

Worth the fuss cause it s taming my hunger pains

Chorus

G

Em

Now who are you ever gonna call when you loose it all

C

You hunger, hunger pains

G D

Hunger

G

Hunger pains

Verse 2

G

A cliché that feels so right

Em

When you love want feel you put up a fight

C

D

Make a mess out of something good cause you know next time

Never do what you would

G

Feeling like you ve found the sky

Em

Nevertheless emptiness is dancing inside

C

Found a window to see through

D

Worth the wait just in time cause I m hungry for you

Chorus 2

G

Em

Now who are you ever gonna call when you loose it all

C

You hunger, hunger pains

G D

Hunger

G

Em

Now how are you ever gonna hide the feeling inside

C

You wonder

C G

Hunger pains

Bridge

Em

And then you wonder have I been away

Ya you wonder why do I feel out of my place

G

You feel down

D

You need another round

Em

Another midnight and you re all alone

G

Another voice telling you something has been wrong you need a friend

D

The hunger s settling in

Chorus 2 again

G

Why-y-y-y
