

I Swear I Was Never In Love

Alexz Johnson

F
This isn't how it's supposed to be
Dm
Me loving you and you're not loving me
Bb
Now I'm in no need of your company
F **Dm**
So please, just leave and let me get out of your way
Bb
There's nothing left now we need to say
F **Dm**
Stay away, I'm saying things I really wish I mean
Bb **C**
I wish you never messed around with me

But now that we're done

F
I swear I, I swear I was never in love
Dm **Bb** **C**
I swear I, I swear I was never in love
Dm
No I was never in love

F
I didn't meet you in the bar
Dm
I never kissed you in the dark
Bb
I wouldn't recognize your birthmark
F **Dm**
It's true, been feelin' better now that we are through
Bb **C**
I swear to God I never loved you

And now that we're done

F
I swear I, I swear I was never in love
Dm **Bb** **C**
I swear I, I swear I was never in love
Dm
No I was never in love
