

Just The Beginning

Alexz Johnson

D

Some days get lost and then you re in it

Em

Hold my hand

Let s just chill a bit

C **D**

See what lies ahead

C **Em**

You are the mirror I see myself in

C **Em** **D**

Never thought I d find so much within

G **D**

We thought we d be somewhere else

Em **C**

We started a long time ago

G **D** **Em C**

We thought we d be anywhere else

G **D**

Don t think that it s over

Em **C** **Em**

I know that the world belongs to us

D

And it s just the beginning

C **Em**

You are the mirror I see myself in

C **Em** **D**

Never thought I d find so much within

G **D**

We thought we d be somewhere else

Em **C**

We started a long time ago

G **D** **Em C**

We thought we d be anywhere else

G **D**

Don t think that it s over

Em **C** **Em**

I know that the world belongs to us

D

And it s just the beginning
