Chords:

Em: x22000
Am: x02210
Bm: x24432
C: x32010
D*: x54030

Intro: **Em**

Em
Night life got my arms real good

Holding me the way you should
Am
I m praying this can start real soon
Em
to wake beside you in the afternoon

Em
Moonlight, lighting my way

But gone before you thought I d stay
Am
Right beneath your ray of warm
Em
You stay beside me til the frozen morn

Em
Angels guide my step
Bm
You keep my eyelids from getting wet
Am

I m pleased to meet you, I could swear we ve met
C **D***
I m pleased to meet you, I could swear we ve met
Em
Strangers blocking my view
Bm
You haven t seen what this girl can do
Am
I m pleased to meet you, I can see your sweat
C **D***
I see you shiver and my heart is set

Em
But hold on, it isn t over here

The sun isn t awake my dear
Am
We re feeling higher than a rocket ship
Em
I push it over when I dip my hip

Em
Homey, I wanna hit your drum

Gimme some of that sweet, just some
Am
You got me still with a sigh and high
Em
Another night I d like for getting by

Em
Angels guide my step
Bm
You keep my eyelids from getting wet
Am
I m pleased to meet you, I could swear we ve met
C **D***
I m pleased to meet you, I could swear we ve met
Em
Strangers blocking my view
Bm
You haven t seen what this girl can do
Am
I m pleased to meet you, I can see your sweat
C **D***
I see you shiver and my heart is set
