Bm: x24432
C: x32010
D*: x54030

Intro: **Em**

Em

Night life got my arms real good

Holding me the way you should

Am

I m praying this can start real soon

Em

to wake beside you in the afternoon

Em

Moonlight, lighting my way

But gone before you thought I d stay

Am

Right beneath your ray of warm

Em

You stay beside me til the frozen morn

Em

Angels guide my step

Bm

You keep my eyelids from getting wet

Am

I m pleased to meet you, I could swear we ve met

C **D***

I m pleased to meet you, I could swear we ve met

Em

Strangers blocking my view

Bm

You haven t seen what this girl can do

Am

I m pleased to meet you, I can see your sweat

C **D***

I see you shiver and my heart is set

Em

But hold on, it isn t over here

The sun isn t awake my dear

Am

We re feeling higher than a rocket ship

Em

I push it over when I dip my hip

Em

Homey, I wanna hit your drum

Gimme some of that sweet, just some

Am

You got me still with a sigh and high

Em

Another night I d like for getting by

Em

Angels guide my step

Bm

You keep my eyelids from getting wet

Am

I m pleased to meet you, I could swear we ve met

C **D***

I m pleased to meet you, I could swear we ve met

Em

Strangers blocking my view

Bm

You haven t seen what this girl can do

Am

I m pleased to meet you, I can see your sweat

C **D***

I see you shiver and my heart is set

Bridge: **Em** **Am** **D*** x2
