

Saints Rush In
Alexz Johnson

Saints Rush In by Alexz Johnson

Standard Tuning
Capo on the 3rd fret

G: 320003 or 320033
Em: x22000
Bm: x24432
C: x32010
D: xx0232
Am: x02210

G

You re giving up

Em

You re leaving everyone behind

Bm

Held onto the rope of mine

C

Before you let go

G

City is too loud

Em

With people coming in and out

Bm

Took a ferry the hell out

C

Not letting me know

G

Em

Bm

The ways you re trying to love is OK

C

G

But can t hold too tight anyway

Em

Bm

C

But now we go our separate ways

G D

Am

Today this battle you win

C

The ship is coming

G D

Am

Just stay and let it begin

C

G

Your saints will rush in

G

You re a submarine

Em

Hiding way down underneath

Bm

Thinking nobody can see

C

How low you can be

G

But we got machines

Em

They re following your dreams

Bm

Can see through all your suffering

C

And then it shows me

G

Em

Bm

That thief, stealing a piece of your heart

C

G

I ll fix it if you let me start

Em

Bm

C

You re tearing me ocean apart

G D

Am

Today this battle you win

C

The ship is coming

G D

Am

Just stay and let it begin

C

Your saints will rush in

Em

Hold your hand higher

D

I ll be, pick you up

C

I won t let you drown

Em

No, can t get away

D

No matter what

C

It s not taking you down

G

It s another new day

D

Cannot let you get away

Am

It s another new day

C

The saints on their way

G

It s another new day

D

Cannot let you get away

Am

It s another new day

C

The saints on their way

G D Am

Today this battle you win

C

The ship is coming

G D Am

Just stay and let it begin

C

The saints on their way

G D Am

Today this battle you win

C

The ship is coming

G D Am

Just stay and let it begin

C

G

The saints on their way
