You race in my mind like a car

Just leave it alone, Mmmm

D

This heart s not your skipping stone

So maybe I should settle down

Bm

And find a new man let him

G

Throw my world around

D

All his blueberry lies

I know there isn't a rule
Was left in the dust never
Was taught in school

Mmmm now I'm a lovesick fool
Never knew that you
Could just hold me hostage
I'm losing my cool
Through the pain somehow
Don't want you to stop it

My heart's beating better alone
And if it is broke
Why let you know
This heart's not your skipping stone
If I'm sinking water
Then why even bother
Just leave it alone, Mmmm
This heart's not your skipping stone

All the time
I never let you in
Was a lie
I wasn't letting you win
And all the days
You let me cry
Was a lie
