He broke in my heart and took my gold
G **Am**
And after all that I ve been told
C **Am**
Horror stories that I read
C **Am**
While mom was putting me to bed

I put a lock on every door
G **Am**
He wants to get inside I m sure
C **Am**
He s only there to mess around

Be the talking of the town

A thief, burning my whole world down

A thief, turning my whole world around

I know I ve failed every test
G **Am**
He knew which button he could press
C **Am**
My heart it beats out of my chest
C **Am**
It s never getting any rest

G **Am**
Didn t want him to see me cry
G **Am**
But every word became a lie
C **Am**
Only he can read my mind
C **Am**
His every touch is like a crime

Chorus

D **Am** **G**
A thief, burning my home down
D **Am** **G**
A thief, turning my whole world around

Tell me what am I to do (better watch her)
Am **Em**
Tell me who to talk too (talk to a doctor)

I really quit loving you (it won t matter)

So why am I talking you in to letting you still break in
