F **C** **G**
Somebody s voodoo s got me binded to you

[Repeat all chords for 2nd verse and chorus]
I know you re looking at your shadow
And getting by by the kindness of strangers
You got me wearing my stilettos
And now I m looking out for any kind of danger
You got the prowl of a tiger
Ya baby I can see your stripes
You got me hanging on your wire
At any moment you could strike

It makes me stop and wonder
What spell have I been under?
Who taught you the voodoo that you do?
But I can see your glory
I wanna write your story
Somebody s voodoo s got me binded to you
