**C**

Can t stay with you, but I ll miss you

**Em**

Soles on fire, I can t see through

**F**

All the smokey, smoking higher

**G**

And I don t know what to do

**C**

See the shadow, it stays beside me

**Em**

In my dreams, it never likes me

**F**

Oh, it s a long road that I ve created

**G**

I ve got it under control

**C**

So why am I walking?

**Em**

And this I don t know

**F**

Why I keep walking in circles

**G**

When I ve got nowhere to go

**C**

Sand pulls quicker, sinks me deeper

**Em**

I like the feeling, I let it linger

**F**

Where s my education? What was I thinking?

**G**

Been lying to myself all along

**C**

And I knew I was wrong

**Em**

I could tell in your eyes the love is gone

**F**

And I know I can t fix what I have done

**G**

So I keep walking until I m done

**C**

And why am I walking?

**Em**

And this I don t know

**F**

Why I keep walking in circles

**G**

When I ve got nowhere to go

**Am**

**C**

But I ll do this alone

**Dm**

**F**

And every tear I know is mine

**Am**

**C**

And I will feel it in my bones

**Dm**

**F**

I ll be okay, just let me hide

**G**

Patterns change, just like the tide

**C**

And why am I walking?

**Em**

And this I don t know

**F**

Why I keep walking in circles

**G**

When I ve got nowhere, got nowhere, to go

**C**

And why am I talking?

**Em**

When I have nothing to say

**F**

My head is a mess

**G**

And I m not finding my way

**C**

But I can t stay with you, but I ll miss you

**Em**

Soles on fire, I can t see through

**F**

All the smokey, smoking higher

**G**

My feet won t bring me to you

End on **C**
