Verse 2 (Same as Verse 1)

So let me go
Just let me fly away
Let me feel the space between us growing deeper
And much darker every day
Watch me now and I ll be someone new
My heart will be unbroken

It will open up for everyone but you

Even when I cross the line
It s like a lie I ve told a thousand times

Chorus (Same as Chorus 1)
I don t wanna dream about
All the things that never were
Maybe I can live without
When I m out from under
I don t wanna feel the pain
What good would it do me now
I ll get it all figured out
When I m out from under (from under, from under, from under, from under)
