

I Am Made Of You  
Alice Cooper

Am Dm Am  
In the beginning I was just a shadow

Em Am  
In the beginning I was alone

Am Dm  
In the beginning I was blind

Em Am  
Living in a world devoid of light

Am Em Am  
In the beginning there was only night

Am Dm Am  
I was shattered, left in pieces And I felt so cold inside

Am Dm  
Then I called you from the darkness where I hide

Em Am  
I am made of you

Em Am  
I am made of you

Em Am  
I am made of you

Em Am  
I am made of you

Am Dm Am  
In the beginning you were revelation

Em Am  
A river of salvation and now I believe

Am Dm Am  
All I wanted, all I needed was someone to rescue me

Am Em  
I was drowning, I was dying, now I m free

Em Am  
I am made of you

Em Am  
I am made of you

Em Am  
I am made of you

Em Am  
I am made of you

Am Dm Am  
Here I am now, I can stand now coz your love has made me strong

Am Dm

And forever you re the singer, I m the song
