Vl. Man got his woman to take his seed  
He got the power, oh she got the need  
She spends her life through, pleasin up her man  
feeds him dinner or, anything she can

She cries alone at night too often  
He smokes and drinks and don t come home at all

Only women bleed  
Only women bleed  
Only women Bleeeeed

Man makes your hair grey, he s your life s mistake  
all your really lookin for s an even break

He lies right at you, you know you hate this game  
Slaps you once n a while and you live and love in pain

She cries alone at night too often  
He smokes and drinks and don t come home at all

Only women bleed  
Only women bleed  
Only women bleeeed
