Vl. Man got his woman to take his seed
He got the power, oh she got the need
She spends her life through, pleasin up her man
feeds him dinner or, anything she can

She cries alone at night too often
He smokes and drinks and don t come home at all

Only women bleed
Only women bleed
Only women Bleeeeed

Man makes your hair grey, he s your life s mistake
all your really lookin for s an even break

He lies right at you, you know you hate this game
Slaps you once n a while and you live and love in pain

She cries alone at night too often
He smokes and drinks and don t come home at all

Only women bleed
Only women bleed
Only women bleeeed

Bridge

Black eyes All of the time
don t spend a dime clean up the grime
and you there down on your knees
beggin me please to come watch me bleed

Only women bleed { to fade }
