[Intro]

**Dm Bb A Dm**

[Verse]

**Dm Bb A**  
Cannot recognize the face before me  
**Dm**  
Itâ€™s unfamiliar  
**Dm Bb A**  
Time has left me broken down and homely  
**Dm**  
Can you still see me undisguised?  
**Dm Bb**  
Outside the window of your eyes  
**A Dm**  
Clinging to the memory of your prime  
**Dm Bb**  
After many years the road you wandered  
**A Dm**  
Left you here alone, deprived of others

[Pre-Chorus]

**Bb A**  
On your toes or on your heels  
**Dm F**  
Thereâ€™s a line drawn on the floor  
**Bb A Dm F**  
Where the blood has dried, there is no shine  
**Bb A**  
Have another go my friend  
**Dm F**  
You see I canâ€™t feel anymore  
**Bb A Dm Cadd9 G/B Bb**

While you question just who the hell am I

(with Figure #1)

[Chorus]

**Dm Cadd9 G/B Bb**  
Is this all I am? (with Figure #1)  
**Dm Cadd9 G/B Bb**  
Given all I can? (with Figure #1)  
**Dm Cadd9 G/B Bb**  
Is this all I am? (with Figure #1)

**Gm A Gm A**  
â€˜Till the end of time, never knowing why

[Verse]

**Dm Bb A**  
Ghosts and damage, no advantage for me  
**Dm**  
Iâ€™m past believing  
**Dm Bb A**  
Understand the price you pay disarming  
**Dm**  
When you can leave it all behind  
**Dm Bb**  
Outside the window of your eyes  
**A Dm**  
Clinging to the memory of your prime  
**Dm Bb**  
After many years the road you wandered  
**A Dm**  
Left you here alone, deprived of others
