

Alone

Alice In Chains

Em G A5 C

It s been a long day at the bottom of the hill

Em G A5 G

She died of a broken heart

Em G A5 C

She told me i was livin in the past

Em G A5 C

Drinkin from a broken glass

(chorus)

Em G A5 C

I m alone

(i never want to be alone)

Em G A5 C

Now i

(now i turn to face the cold)

Em G A5 C

I m alone

(i never want to be alone)

Em G A5 C

Now i

(now i wanna turn to travel home)

I walked down the other end today

Just to catch those last few rays

I held out my hand and slowly waved goodbye

I turned now, my eyes up to the sky

(chorus)

(guitar solo)

She ll come back to me

She ll come back to me

All alone in this misery

She ll come back to me

I held out my hands into the light and i watched it die

I know that i was part to play

My time, my time to die

And never want to spend my life alone

(chorus)

(solo)
