

**Angry Chair Solo**  
**Alice In Chains**

Angry Chair - Solo  
Tabbed by Anthony DePiano (5/29/07)

I hope this is correct. I listened to it and played along with the solo many times. This is the closest that I can get it.

- b = bend note
- r = release
- h = hammer-on
- p = pull-off
- = slide
- v = vibrato
