Blood Tears Little Girl (Acoustic)

Tabbed by rockingaway

K so I?m not sure of the lyrics, but the tab as well as the lyrics are mostly correct.

tab might not be accurate to the song note for note, but it fits with the song.

This is a

song that I happened to stumble upon. Tried to find tabs as well as lyrics but couldn?t.

the point I?m wondering if I got the song title and/or artist name correct. If I made

mistake, do inform me! Thanks! This song is so great that I just had to tab it out! Enjoy!

Note: lyrics for that riff are put below the riff itself.
