

Frogs

Alice In Chains

WARNING: THIS ISNT BASED ON ANY TIMING!

Try playing the verse riff like this - you ll find it a lot easier.

VERSE RIFF

```

e-----
B-----
G----0----0----0----0----0----0----0----0-
D-----
A---4----4----4----4----4-----
E-0-----0-----0-----0-----4---3---

```

LEAD VERSE RIFF (along with the above one)

```

e-----
B-----5----- (7)-----
G---6b-r-b-----6b-----0---0-
D-----5-----0-----
A-----
E-0-----0-----0-----0-----0---4---3---

```

BRIDGE RIFF - 1ST GUITAR

```

e-----
B-----
G-----
D----5----5----5----5----5----5----5----5----5---
A---5----4----5----4----5----4----5----4-----
E--3----3----3----3----3----3----3----3----3-----

```

I think guitar 2 goes along the above riff with a slightest variation

which I like even better.

BRIDGE RIFF - 2ND GUITAR

```

e-----
B-----
G-----0---0-----0---0-----0---0-----0---0---
D----5-----5-----5-----5-----
A---5----4----5----4----5----4----5----4-----
E--3-----3-----3-----3-----3-----

```

CHORUS RIFF:

```

          G#              Em7
e:----- (4)-4--3--3-3-3-3-
B:----- (4)-4--3--3-3-3-3-
G:----- (5)-5--0--0-0-0-0-
D:-----6-6--6--6--2--2-2-2-2-
A:-----6--6--6--6--2--2-2-2-2-

```

E:--4-----4--4--4--0--0-0-0-0-

I m not sure about that fill during chorus either but this sounds good:

e-----7---7-9-10-9-7-----7---7-9-10-9-7-10b-  
B-----7---7-----7---7---7-----  
G-----7-----  
D-----  
A-----  
E-----

repeat!

The harmonics when Layne starts talking:

e-----  
B--(7)----- (7)-----  
G----- (5)----- (5)---etc.- ( ) - means harmonics  
D-----  
A-----  
E-----

The riff after the harmonics.

e-----  
B-----  
G-----  
D----7b-r-4-5-8-----  
A-----4-5-6-----5b-r-  
E--0-----4-5-----

After playing that a couple of times Jerry goes back to those harmonics and ends this great song.
