

Little Bitter
Alice In Chains

From: (Sean) Meehan (*)

Authors notes: ok, it s tuned down half a step and in dropped D tuning
if you see this (////////) it means to go ape on the whammy bar

E [-----]
B [-----]
G [-----]
D [--14-12-12-12-12-14-----]
A [-----10--]
E [-----]

here s how it goes as best as I can tell:

intro: part A 2 times

verse: part A 5 times

chorus: part B 8 times

verse: part A 4 times

chorus: part B 8 times

interlude: part C 5 times

solo: part C 3 times w/ part D 1 time

verse: part A 4 times

chorus:part B 8 times

ending:part B 8 times w/ part E 2 times

That s pretty much it.
