Lyrics and Music Guide

Riff A (play through out)

Intro (lyrics begin) Am I too contagious? Full of sick
 desire. Am I that I promise? Burning corpsed pyre.

Riff B (play through out)

Then some dude came down to touch the mother. Mother
 touched, and dude ain't here no more. Suck it one more time.

Riff A (play through out)

Am I your reflection? Melting mirror smile. Am I worth the
 value? Do my love defile.

Riff B (play through out)

Then some dude came down to touch the mother. Mother
 touched, and dude ain't here no more. Ain't no day the sun
 don't crack. Try brand some name across my back so you care?
 Find someone to tell you.

Riff C (play through out)

Sunshine...Sweet love my labor. Don't mind...I don't care no
 more.

Solo 1

Riff D (play through out)

Memory...set me free. Mother please...come for me.

Riff A (play through out)

Can you face the question? Is my soul entire?

Riff C (play through out)

Sunshine...Sweet love my labor. Don't mind...I don't care no
 more.

Riff C, play Solo 2 in the background.

Sunshine...Sweet love my labor. Don't mind...I don't care no
 more.
