[Intro] **G#m G#m E E**

G#m

Hit the ground

E

Hit the ground running

G#m

It s a oneway street

B

With an open end

E

And you never know

What lies ahead

G#m

But I always knew

B

That this was it

E

The signs were lit

Oh I always knew

G#m

I m gonna hit the ground running

Go to play offense

E

And I won't look back

E

There be no regrets

I keep my head up

Even if I'm fed up

Cause I'm getting closer

Oh I know, oh I know

I'm gonna hit the ground running

Hit the ground running

E

Only waiting for the marching drums
