Alice Merton

Our youth, so confident

Try to learn to let go of all those things that tie you down

Get rid of it, the voice inside that tells me that

Bb

I m scared, yeah, scared as shit

C

But I wanna let go of it now

So someone tell me

[Chorus]

F

Why so serious?

F

Why are we so serious?

Dm

Oh, why so serious?

Dm

When did we get like this?

Bb

I still remember we weren t grown up like this

F

Oooh, oh

F **Dm**
That spark inside that tells us it s all nonsense
