Haruki Alice Phoebe Lou E7 Am7 Awake from your slumber Ε7 You ve been sleeping far too long Am7 E7 Your eyes have been shut tight E7 I d like to pry them wide for just one day E7 I found your naked body Am7 Out in the field An empty shell down in a well E7 I m sure it felt like hell You had blood on your hands Am7 And mud on your feet E7 And i said hey i knew i d meet you one day And like the wind from the east Am7 I swept you away I swept you away E7I swept you away And like the wind from the east Am7 I swept you away I swept you away E7 I swept you away I swept you away I swept you E7 I swept you I swept you away

Em7 Then you rose from the day A7 Gave your eyes to the sun Em7 And you looked at me A7 A7/E Said i m not the only one Em7 Music came back to your ears A7 And you danced and you danced For all of the years Em7 You d forgotten how A7 A7/E To live for the now Em7 You d forgotten how A7 A7/E To live for the now Em7 Then you rose from the day A7 Gave your eyes to the sun Em7 And you looked at me A7 A7/E Said i m not the only one Em7 Oh you looked at me A7/E A7 Said i m not the only one
