

**A Womans Worth**  
**Alicia Keys**

You can buy me diamonds                    A7  
You can buy me pearls                    D7  
Take me for a cruise around the world                    F  
(Baby you know I m worth it)                    G  
Dinner light by candles                    A7  
Run my bubble bath                    D7  
Making love so tenderly to last                    F  
(Baby you know I m worth it)                    G

Wanna please, wanna treat, wanna keep your woman right                    D7                    G  
Not just dough better show that you know she is worth your time                    D7                    G  
You will lose if you choose to refuse to put her first                    D7                    G  
She will if she can find a man who knows her worth                    Em                    Am7

Cause a real man knows a real woman when he sees her                    A7                    E  
And a real woman knows a real man aint afraid to please her                    D7                    G  
And a real woman knows a real man always comes first                    A7                    E  
And a real man just can deny a woman s worth                    D7                    G

If you treat me fairly                    A7  
I ll give you all my goods                    D7  
Treat you like a real woman should                    F  
(Baby you know you re worth it)                    G  
If you ve never played me                    A7  
Promise not to bluff                    D7  
I ll hold you down when sh\*\* gets rough                    G

She walks all the mile makes you smile all the time being true                    D7                    G  
Don t take it for granted the passion she has for you                    D7                    G  
You will lose if choose to refuse to put her first                    D7                    G  
She will if she can find a man who knows her worth                    Em                    Am7
