

Doesn't Mean Anything

Alicia Keys

(intro) E C#m A E

E
Used to dream of being a millionaire, without a care

C#m A
But if I'm seeing my dreams and you aren't there cause it's over

E
That just won't be fair, darling.

E
I'd rather be a poor woman living on the street,
No food to eat

C#m
cause I don't want no pie if I have to cry

A
cause it's over

E
When you said goodbye
All at once
I had it all
But it doesn't mean anything
Now that you're gone
From above,
Seems I had it all
But it doesn't mean anything
Since you're gone
Now I see myself through different eyes
It's no surprise
But being alone would make you realize, when it's over
All in love is fair
I shoulda been there, I shoulda been there, I shoulda shoulda
All at once
I had it all
But it doesn't mean anything
Now that you're gone
From above,
Seems I had it all
But it doesn't mean anything
Since you're gone

C#m
I know I pushed you away

B E A
What can I do that would save our love

C#m
Take these material things

B
They don't mean nothing

E **F#m**

It s you that I want

E **C#m**

All at once I had it all

A

But it doesn t mean anything

E

Now that you re gone

From above,

Seems I had it all

But it doesn t mean anything

Since you re gone
