But it doesn t mean anything

Since you re gone

Now I see myself through different eyes

It s no surprise

But being alone would make you realize, when it s over

All in love is fair

I shoulda been there, I shoulda been there, I shoulda shoulda

All at once

I had it all

But it doesn t mean anything

Now that you re gone

From above,

Seems I had it all

But it doesn t mean anything

Since you re gone

C#m

I know I pushed you away
