## Alicia Keys

(intro) **F** **Dm** **Bb** **F**

**F**  
Used to dream of being a millionaire, without a care

**Dm** But if I m seeing my dreams and you aren t there      **Bb** cause it s over

**F**

That just wont be fair, darling.

**F**  
I d rather be a poor woman living on the street,  
No food to eat

cause I don t want no pie if I have to cry

**Bb**  
cause it s over

F

When you said goodbye  
All at once  
I had it all  
But it doesn't mean anything  
Now that you're gone  
From above,  
Seems I had it all  
But it doesn't mean anything  
Since you're gone  
Now I see myself through different eyes  
It's no surprise  
But being alone would make you realize, when it's over  
All in love is fair  
I shoulda been there, I shoulda been there, I shoulda shoulda  
All at once  
I had it all  
But it doesn't mean anything  
Now that you're gone  
From above,  
Seems I had it all  
But it doesn't mean anything  
Since you're gone

**Dm**  
I know I pushed you away

**C** **F** **Bb**  
What can I do that would save our love

**Dm**  
Take these material things

**C**  
They don't mean nothing

**F** **Gm**

It s you that I want

**F** **Dm**

All at once I had it all

**Bb**

But it doesn t mean anything

**F**

Now that you re gone

From above,

Seems I had it all

But it doesn t mean anything

Since you re gone
