

Empire State Of Mind (Part II)

Alicia Keys

**F#** **B7M**  
Ooohh New York (2x)

**F#** **B7M**  
Grew up in a town that is famous as the place of movie scenes

**F#** **B7M**  
Noise is always loud, there are sirens all around and the streets are mean

**F#** **B7M**  
If I can make it here, I can make it anywhere, that s what they say

**F#** **B7M**  
Seeing my face in lights or my name in marquees found down on Broadway

**A#**  
Even if it ain t all it seems, I got a pocketful of dreams

Baby, I m from...

(refrão)

**B7M**  
New York

**F#**  
Concrete jungle where dreams are made of

**C#**  
There s nothing you can t do

**B7M**  
Now you re in New York

**F#**  
These streets will make you feel brand new

**C#**  
Big lights will inspire you

**B7M**  
Let s hear it for New York, New York, New Yoooork!

**F#** **B7M**  
On the avenue, there ain t never a curfew, ladies work so hard

**F#** **B7M**  
Such a melting pot, on the corner selling rock, preachers pray to God

**F#** **B7M**  
Hail a gypsy cab, takes me down from Harlem to the Brooklyn Bridge

**F#** **B7M**  
Some will sleep tonight with a hunger for more than an empty fridge

**A#**  
I m gonna make it by any means, I got a pocketful of dreams  
Chorus:

Baby, I m from...

(refrão)

**B7M**

New York

**F#**

Concrete jungle where dreams are made of

**C#**

There s nothing you can t do

**B7M**

Now you re in New York

**F#**

These streets will make you feel brand new

**C#**

Big lights will inspire you

**B7M**

Let s hear it for New York, New York, New Yoooork!

**B7M**

One hand in the air for the big city,

**C#**

Street lights, big dreams all looking pretty

**D#m**

No place in the world that can com-pare

**A#**

Put your lighters in the air, everybody say yeah, yeah, yeah

**B7M**

In New York

**F#**

Concrete jungle where dreams are made of

**C#**

There s nothing you can t do

**B7M**

Now you re in New York

**F#**

These streets will make you feel brand new

**C#**

Big lights will inspire you

**B7M**

**F#**

Let s hear it for New Yoooork!
